September 7th, 2019

To our dedicated Volunteer,

Today, hundreds of Participants gathered at the Hilton San Diego Bayfront, where they climbed 110 floors, the same number as in the Twin Towers. Each participant climbed wearing a badge with a photo to honor one of the 403 Firefighters, Port Authority Officers, Police Officers, or EMTs who died on September 11th, 2001.

The San Diego 9/11 Memorial Stair Climb is one of the largest Memorial 9/11 Stair Climb events across the country, and it draws thousands of participants and spectators from all over the world. They come to take part in this one-of-a-kind experience so that they can remember, heal, and move forward in a spirit of respect and gratitude for the brave men and women who risk life and limb every day.

We would like to thank you for dedicating 8 hours of your time and serving in many different capacities to ensure that the 2019 San Diego 9/11 Memorial Stair Climb would be a memorable event for those in attendance. As one of our volunteers, you were a critical part of this unique event and your assistance ensured that this event ran smoothly.

The San Diego 9/11 Memorial Stair Climb is a fast-paced, highly publicized, and tremendously complex event requiring the smooth coordination of over 250 volunteers, dozens of vendors, and thousands of climbers and spectators. Such an event would not be possible without the contributions of volunteers like yourself that can manage multiple priorities, adapt quickly to change, have excellent customer service skills, possess a strong work ethic, and, most of all, have the desire to serve.

Please accept this letter as a token of our gratitude, and know that FirefighterAid, our Firefighters, and their families fully appreciate your service and dedication to our event.

Respectfully,

Brandt Truver
President, FirefighterAid
