

From September 5th – 12th, 2020, I will climb 110 floors alongside Firefighters, Law Enforcement, Military Personnel and Civilians commemorating the 19th anniversary of 9/11/01. The San Diego 9/11 Memorial Stair Climb raises money for FirefighterAid, a non-profit organization that supports Firefighters and families affected by line-of-duty deaths and injuries.

I am asking for your support in the form of a tax-deductible donation to FirefighterAid.
