

2023

#SD911MSC

San Diego
9/11 Memorial Stair Climb

Sunday, September 10th 2023
San Diego Hilton Bayfront

EVENT OVERVIEW

On September 10th, 2023, FirefighterAid will bring civilians and Firefighters together for the 9th consecutive year at the Hilton Bayfront San Diego to climb 110 floors in remembrance of the 343 New York Firefighters, 37 Port Authority Officers, and 23 New York Police Officers who were killed in the World Trade Center buildings on 9/11/2001.

This nationally publicized event provides a profound and meaningful sponsorship opportunity for those who support Firefighters, Law Enforcement or Military personnel. Attended by thousands of climbers, spectators, business owners, celebrities, political leaders, and dignitaries, the SD911MSC raises awareness and funds for Firefighters and families affected by line-of-duty deaths, injuries, cancer, mental health and service-related crises.

Participants complete the 110 floor climb while wearing a badge honoring the name and photograph of a fallen 9/11 hero, symbolically completing the journey they undertook in the Twin Towers 18 years ago to save trapped civilians and comrades.

The largest event of its kind in the region, the 2023 SD911MSC generates tremendous awareness and exposure for our cause, our city, and our private sector partners and supporters.

We would like to invite you to take advantage of this exceptional opportunity by partnering with FirefighterAid to sponsor the 2022 SD911MSC Event. For more information, or to secure your sponsorship, contact us today.

Sara Berns, sberns@sdfra.org
